1. Building lines will be per the City of Fort Worth Zoning Ordinance.
2. No portion of the subject tract lies within a "special flood hazard area" as explained on Community Panel Number 48367C0450E of the Flood Insurance Rate Map, Parker County, Texas and Incorporated Areas, dated September 26, 2008. The subject parcel lies within "other flood area - Zone "X" (Areas determined to be outside the 0.2% annual chance flood plain). Areas of local drainage are not noted on this map.
3. Selling a portion of this addition by metes and bounds is a violation of city ordinance and state law, and is subject to fines and withholding of utilities and building permits.
4. Upon completion of construction, all lot and block corners will be set using a 5/8 inch rebar with a yellow plastic cap stamped Huitt-Zollars. In areas where it is not physically possible to set rebar, a PK nail or X cut will be used. The centerline of the street right of way will be marked with an X cut in concrete at the point of curvature, point of tangency, angle points and intersections.

7. All lots are Zoned "A-5" as defined by the Summary of Zoning Districts of the City of Fort Worth, unless noted otherwise.
8. Private P.R.V.'s will be required; water pressure exceeds 80 P.S.I.
