Visibility, access and maintenance easements (to be used if applicable):  
 The area or areas shown on the plat as "VAM" (visibility, access and maintenance) easement(s) are hereby given and granted to the city, its successors and assigns, as an easement to provide visibility, right of access for maintenance upon and across said VAM easement. The city shall have the right but not the obligation to maintain any and all landscaping within the VAM easement. Should the city exercise this maintenance right, then it shall be permitted to remove and dispose of any and all landscaping improvements, including without limitation, any trees, shrubs, flowers, ground cover and fixtures. The city may withdraw maintenance of the VAM easement at any time. The ultimate maintenance responsibility for the VAM easement shall rest with the owners. No building, fence, shrub, tree or other improvements or growths, which in any way may endanger or interfere with the visibility, shall be constructed in, on, over or across the VAM easement. The city shall also have the right but not the obligation to add any landscape improvements to the VAM easement, to erect any traffic control devices or signs on the VAM easement and to remove any obstruction thereon. The city, its successors, assigns, or agents shall have the right and privilege at all times to enter upon the VAM easement or any part thereof for the purposes and with all rights and privileges set forth herein.

Statement Acknowledging Visibility Triangles  
 There shall be provided at the intersections of all public streets, visibility triangles as required by County Statutes.  
 NOTE: We do hereby waive all claims for damages against the County occasioned by the establishment of grades or the alterations of the surface of any portion of the existing streets and alleys, or natural contours, to conform to the grades established in the subdivision.
